SCHOOL/DISTRICT	COMPONENT	SPECIFIC DEFICIENCY	RECOMMENDED ACTION	STATUS	UPDATED STATUS
Christian County		None			
Daviness County	Travel and Per Diem Allowances	This component was impossible to evaluate due to school's failure to submit accurate data and the lack of written guidelines for provision of equity in this area.	<ul style="list-style-type: none"><li>On or before April 1, 2010, the school is to submit to the KHSAA corrected T-35 and T-36 forms for the 2008-09 school year.</li><li>On or before April 1, 2010 the school is to submit to the KHSAA written guidelines for equitable provision of travel and per diem allotments</li></ul>	Requested material received on 03-27-10. Appears satisfactory.	No further action is necessary at this time.
	Support Services	This component was impossible to evaluate because the schools data and calculation on the T-35 and T-36 forms appeared to be in error, there was no written documentation regarding the role of the schools booster club and interviews with coaches and administrators gave different explanations of methods of oversight of booster contribution.	<ul style="list-style-type: none"><li>On or before April 1, 2010 the school is to submit a written description of the roll of the Athletic Booster Club, how the club is allowed to provide support, and the method by which administrators monitor spending for equity. Documents must be signed by principal and school Title IX coordinator.</li><li>On or before April 1, 2010 the school is to submit corrected T-35 and T-36 forms for the 2008-09 school year.</li></ul>	Requested material received on 03-27-10. Appears satisfactory.	No further action is necessary at this time.

South Floyd		None			
Trinity-Whitesville		None			
Union County	Medical and Training Facilities and Services	Failure of the school to provide equal access to the school's weight training room as requested by the November 16, 2001 audit report.  Need for more equipment suitable for usage by female athletes in the weight training facility.	On or before April 7, 2010, the school is to submit to the KHSAA an equitable usage schedule for the weight training facility.  On or before April 7, 2010, the school is to submit to the KHSAA a written plan to provide weight room equipment suitable for usage by female athletes.	Extension granted until April 30, 2010.	All material received as of May 3, 2010. Material is satisfactory and no further action is necessary at this time.
	Support Services	Data submitted relating to total spending for athletic benefits appeared to be incorrect.	On or before April 7, 2010, the school is to submit to the KHSAA a written description of steps taken by administrators to supervise booster club spending in relation to provision of equitable benefits.	Extension granted until April 30, 2010.	All material received as of May 3, 2010. Material is satisfactory and no further action is necessary at this time.
		There appeared to be minimal oversight of booster club spending in relation to provision of equity.	The school's April 15, 2010 annual report to the KHSAA is to include accurate and complete expenditures on the T-35 and T-36 forms.
